# Leadership and strategy development without blowing your budget.

Hi, I'm Carey Nieuwhof.

You may know me as the author of *At Your Best, Didn't See it Coming*, or *Lasting Impact*.

Or as the host of the Carey Nieuwhof Leadership Podcast.

In 25+ years of ministry, I've learned that the impact we know our ministries are capable of end up being overshadowed by:

- Staff that aren't performing at their true capacity
- Volunteers you can never really rely on
- Members that are over-opinionated and stuck in the past
- And, sometimes, not knowing what we're supposed to do about it all...

The good news is that we aren't alone in these challenges. I founded The Art of Leadership Academy to equip you, your staff, and your volunteers with the answers and clarity that fuel growth—at any attendance level.

“

I was overworked and overwhelmed, and our staff was stuck maintaining with the mission hung on the wall. Since joining and using the program, we've heard so many encouraging insights that have helped us move forward on mission with hope and invite people to join us.”
